

FFG

International Cooperation in Horizon 2020

EU and Canada

Table of Contents

EXCELLENT SCIENCE

Support to innovation, human resources, policy and international cooperation.... 3

INDUSTRIAL LEADERSHIP

Nanotechnologies, Advanced Materials and Production..... 6

SCIENCE WITH AND FOR SOCIETY

Developing governance for the advancement of responsible research and innovation 7

Integrating Society in Science and Innovation..... 8

SOCIETAL CHALLENGES

Growing a Low Carbon, Resource Efficient Economy with a Sustainable Supply of Raw Materials 10

Europe as a Global Actor 12

Blue Growth: Unlocking the potential of Seas and Oceans 13

Sustainable Food Security 20

Health Co-ordination activities 22

Personalising health and care 24

Border Security and External Security 26

Competitive Low-Carbon Energy 27

Mobility for Growth..... 29

Instructions: How to find topics for international cooperation in Horizon 2020 calls 32

Excellent Science

Horizon 2020 Pillar:	Excellent Science
Programme:	Research infrastructures
Activity/Topic:	Support to innovation, human resources, policy and international cooperation
Call Identifier:	H2020-INFASUPP-2014-1
Topic Identifier:	INFASUPP-8-2014
Topic Title:	Network of National Contact Points
Deadline:	14.05.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/65-infrasupp-8-2014.html>

Specific Challenges: *“... networks, and the cooperation with other policy and international cooperation oriented measures for research infrastructures. The proposal should build on the past experience and achievements gained in the Seventh Framework Programme EuroRis-Net+ project. Only NCPs from EU Member States, Associated Countries, European Neighbourhood Policy countries (ENP), African countries, Australia, Canada, Russia...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar: Excellent Science

Programme: Research infrastructures

Activity/Topic: Support to innovation, human resources, policy and international cooperation

Call Identifier: H2020-INFRA supp-2014-2

Topic Identifier: INFRA supp-5-2014

Topic Title: Policy measures for research infrastructures

Deadline: 02.09.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/68-infrasupp-5-2014.html>

Specific Challenges: *“... will be made available. The proposers should also carry out a comparative analysis of the research infrastructures landscape between Europe and strategic third country partners such as USA, Canada, Australia and the BRICS countries. The proposal should build on the experience gained in the Seventh Framework Programme MERIL (Mapping of European Research Infrastructure Landscape) project. The Commission...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar: Excellent Science

Programme: Research infrastructures

Activity/Topic: Support to innovation, human resources, policy and international cooperation

Call Identifier: H2020-INFRA supp-2014-2

Topic Identifier: INFRA supp-6-2014

Topic Title: International cooperation for research infrastructures

Deadline: 02.09.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/69-infrasupp-6-2014.html>

Specific Challenges: *“... of pan-European interest through training, data management and trans-national access. · Support multi-lateral cooperation on research infrastructures in one or several of the following areas: Arctic research, marine science, biodiversity, food research and medicine. Particular emphasis will be made on cooperation with USA, Canada (including for implementing the Transatlantic Research...”*

“... science, biodiversity, food research and medicine. Particular emphasis will be made on cooperation with USA, Canada (including for implementing the Transatlantic Research Alliance, launched by the Galway Statement on Atlantic Ocean Cooperation) and Russia, without excluding other relevant countries such as Australia and New Zealand. The proposals supporting bilateral and multi-lateral cooperation with...”

Targeted Countries/Regions: Canada, Atlantic

Industrial Leadership

Horizon 2020 Pillar:	Industrial Leadership
Programme:	Leadership in enabling and industrial technologies(LEIT)
Activity/Topic:	Nanotechnologies, Advanced Materials and Production
Call Identifier:	H2020-NMP-CSA-2014
Topic Identifier:	NMP-27-2014
Topic Title:	Coordination of EU and international efforts in safety of nanotechnology
Deadline:	06.05.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2520-nmp-27-2014.html>

Specific Challenges: *“... Such activities are currently on going in the EU and several other industrialised countries in a rather fragmented manner, necessitating specifically oriented action beyond the efforts foreseen in the context of individual projects. The increasing efforts of emerging economies and emerging science countries should also be integrated with the leading actors in the area of nanosafety. Scope: The main...”*

Targeted Countries/Regions: Industrialised Countries

Science with and for Society

Horizon 2020 Pillar:	Science with and for Society
Programme:	Develop the governance for the advancement of responsible research and innovation by all stakeholders (researchers, public authorities, industry and civil society organisations), which is sensitive to society needs and demands, promote an ethics framework for research and innovation
Activity/Topic:	Developing governance for the advancement of responsible research and innovation
Call Identifier:	H2020-GARRI-2014-1
Topic Identifier:	GARRI-6-2014
Topic Title:	Reducing the risk of exporting non ethical practices to third countries
Deadline:	02.10.2014
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2406-garri-6-2014.html
Specific Challenges:	<i>“... shall build up at multiple levels: within the EU, between the EU and other high-income countries, between high-income countries and low-income countries where the risks of dumping is higher. Activities shall be based on case studies involving local structures, avoiding gender bias, in countries where the research takes place and impacts population. Good practices shall be identified, with a view to...”</i>
Targeted Countries/Regions:	High-Income Countries

Horizon 2020 Pillar:	Science with and for Society
Programme:	Integrate society in science and innovation issues, policies and activities in order to integrate citizens' interests and values and to increase the quality, relevance, social acceptability and sustainability of research and innovation outcomes in various fields of activity from social innovation to areas such as biotechnology and nanotechnology
Activity/Topic:	Integrating Society in Science and Innovation
Call Identifier:	H2020-ISSI-2014-1
Topic Identifier:	ISSI-5-2014
Topic Title:	Supporting structural change in research organisations to promote Responsible Research and Innovation
Deadline:	02.10.2014
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2418-issi-5-2014.html
Specific Challenges:	<i>“... the progress made throughout the duration of the project. This activity could be dedicated to a specific partner organisation or subcontracted. The proposals should include an international dimension in particular with the following countries: Brazil, Republic of South Africa, India, Canada, Australia, Russia, United States of America, Japan and China. The Commission considers that proposals requesting...”</i>
Targeted Countries/Regions:	Canada

Horizon 2020 Pillar:	Science with and for Society
Programme:	Integrate society in science and innovation issues, policies and activities in order to integrate citizens' interests and values and to increase the quality, relevance, social acceptability and sustainability of research and innovation outcomes in various
Activity/Topic:	Integrating Society in Science and Innovation
Call Identifier:	H2020-ISSI-2015-1
Topic Identifier:	ISSI-5-2015
Topic Title:	Supporting structural change in research organisations to promote Responsible Research and Innovation
Deadline:	16.09.2015
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2422-issi-5-2015.html
Specific Challenges:	<i>“... proposals shall include a methodology for impartially monitoring and assessing the progress made throughout the duration of the project. This activity could be dedicated to a specific partner organisation or subcontracted. The proposals should include an international dimension in particular with the following countries: Brazil, Republic of South Africa, India, Canada, Australia, Russia, United States...”</i>
Targeted Countries/Regions:	Canada

Societal Challenges

Horizon 2020 Pillar:	Societal Challenges
Programme:	Climate action, environment, resource efficiency and raw materials
Activity/Topic:	Growing a Low Carbon, Resource Efficient Economy with a Sustainable Supply of Raw Materials
Call Identifier:	H2020-SC5-2014-one-stage
Topic Identifier:	SC5-13b-2014
Topic Title:	Strategic international dialogues and cooperation on raw materials with technologically advanced countries
Deadline:	08.04.2014
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2062-sc5-13b-2014.html
Specific Challenges:	<i>“... will contribute to promoting the cooperation with technologically advanced countries to facilitate discussion in multilateral fora (such as OECD, UNEP, G20, G8) and strategic international dialogues and cooperation with technologically advanced countries (such as Australia, Canada, Japan, South Africa, US and others[2]). Mapping and addressing the cooperation opportunities in terms of the synergies...”</i>
Targeted Countries/Regions:	Canada

Horizon 2020 Pillar:	Societal Challenges
Programme:	Climate action, environment, resource efficiency and raw materials
Activity/Topic:	Growing a Low Carbon, Resource Efficient Economy with a Sustainable Supply of Raw Materials
Call Identifier:	H2020-SC5-2015-one-stage
Topic Identifier:	SC5-13f-2015
Topic Title:	Strategic international dialogues and cooperation with raw materials producing countries and industry
Deadline:	10.03.2015
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2163-sc5-13f-2015.html
Specific Challenges:	<i>“... to operate, resulting in strong and sustainable relationships with these countries. In line with the EU's strategy for international cooperation in research and innovation[1] international cooperation with international partners is encouraged, in particular with Australia, US, Canada, European Neighbourhood Policy countries, African Union and Latin American countries. Expected impact : In the medium...”</i>
Targeted Countries/Regions:	Canada

Horizon 2020 Pillar: Societal Challenges

Programme: Europe in a changing world - inclusive, innovative and reflective Societies

Activity/Topic: Europe as a Global Actor

Call Identifier: H2020-INT-SOCIETY-2015

Topic Identifier: INT-12-2015

Topic Title: The cultural, scientific and social dimension of EU-LAC relations

Deadline: 07.01.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/1064-int-12-2015.html>

Specific Challenges: *“... and to encourage mutual knowledge between the two regions, thus feeding into the work of the EU-LAC Foundation[2]. Research is also expected to inform the on-going bi-regional networking activities of the JIRI and the work of the Trans-Atlantic Platform for the Social Sciences and Humanities (T-AP). Type of action : Research and innovation actions [1] Comunidad de Estados Latinoamericanos y Caribeños...”*

Targeted Countries/Regions: Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Blue Growth: Unlocking the potential of Seas and Oceans

Call Identifier: H2020-BG-2014-2

Topic Identifier: BG-08-2014

Topic Title: Developing in-situ Atlantic Ocean Observations for a better management and sustainable exploitation of the maritime resources

Deadline: 12.03.2014

Stage 2: 26.06.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2463-bg-08-2014.html>

Specific Challenges: *“... 2012) 497), proposals should contribute to implementing the Transatlantic Research Alliance, launched by the Galway Statement [1] on Atlantic Ocean Cooperation in May 2013, and should benefit from the inclusion of partners from the US and Canada[2]. The Commission considers that proposals requesting a contribution from the EU in the range of EUR 15–20 million would allow this specific challenge to...”*

“... of the maritime resources BG-08-2014 Specific challenge: The challenge is to conduct the Research and Innovation activities necessary to the deployment of an Integrated Atlantic Ocean Observing System (IAOOS), building on existing capacities on both side of the Atlantic. The Atlantic Ocean is the most prominent maritime domain situated at the doorstep of Europe. However, the sustainable exploration,...”

Targeted Countries/Regions: Canada, Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Blue Growth: Unlocking the potential of Seas and Oceans

Call Identifier: H2020-BG-2014-1

Topic Identifier: BG-13-2014

Topic Title: Ocean literacy – Engaging with society – Social Innovation

Deadline: 26.06.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2456-bg-13-2014.html>

Specific Challenges: *“... as responsible actors of change in marine challenges. In line with the objectives of the EU strategy for international cooperation in research and innovation (COM (2012) 497), proposals should benefit from the inclusion of partners established in third countries, in particular the US and Canada [2] , given the high potential for knowledge sharing in this field[3]. The Commission considers that proposals...”*

“... Sklodowska-Curie part of the Work programme [2] This is without prejudice to the general rules on the funding of legal entities from third-countries, as set in part A of the annex to the work programme. [3] See Galway Statement on Atlantic Ocean Cooperation Launching a Canada-European Union- United States of America Research Alliance (Galway, 24th of May 2013) For reference documents applying...”

Targeted Countries/Regions: Canada, Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Blue Growth: Unlocking the potential of Seas and Oceans

Call Identifier: H2020-BG-2014-1

Topic Identifier: BG-14-2014

Topic Title: Supporting international cooperation initiatives: Atlantic Ocean Cooperation Research Alliance

Deadline: 26.06.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2457-bg-14-2014.html>

Specific Challenges: *“... the objectives of the EU strategy for international cooperation in research and innovation (COM (2012) 497), proposals should contribute to implementing the Transatlantic Research Alliance, launched by the Galway Statement on Atlantic Ocean Cooperation in May 2013, and should benefit from the inclusion of partners from the US and Canada[2]. Proposals should underpin the establishment and implementation...”*

“... a key component to tackle major societal challenges, underpin policies, and stimulate innovation. The EU has adopted various initiatives including the 'Blue Growth', the EU Atlantic Strategy and its Action Plan (2014 – 2020) to increase such cooperation. Furthermore the Galway Statement and the recently endorsed Atlantic Ocean Research Alliance [1] provides a unique framework for stimulating strategic...”

Targeted Countries/Regions: Canada, Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Blue Growth: Unlocking the potential of Seas and Oceans

Call Identifier: H2020-BG-2014-1

Topic Identifier: BG-15-2014

Topic Title: European polar research cooperation

Deadline: 26.06.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2458-bg-15-2014.html>

Specific Challenges: *“... cooperation in research and innovation (COM (2012) 497) proposals should contribute to implementing the Transatlantic Research Alliance, launched by the Galway Statement on Atlantic Ocean Cooperation in May 2013, and should benefit from the inclusion of partners from the US and Canada[1]. Cooperation is as well encouraged with partners from other third countries, such as Russia, Japan, China, India...”*

“... continuous stakeholder dialogue the action should communicate user needs to the appropriate scientific community and/or research programme managers. In line with the objectives of the EU strategy for international cooperation in research and innovation (COM (2012) 497) proposals should contribute to implementing the Transatlantic Research Alliance, launched by the Galway Statement on Atlantic Ocean...”

Targeted Countries/Regions: Canada, Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Blue Growth: Unlocking the potential of Seas and Oceans

Call Identifier: H2020-BG-2015-2

Topic Identifier: BG-01-2015

Topic Title: Improving the preservation and sustainable exploitation of Atlantic marine ecosystems

Deadline: 24.02.2015

Stage 2: 11.06.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2466-bg-01-2015.html>

Specific Challenges: *“... to Atlantic ecosystem based research as well as with International partner countries Contribute to the implementation of the EU Integrated Maritime Policy, its environmental pillar the Marine Strategy Framework Directive (MSFD), The Common Fisheries policy (CFP), the EU 'Maritime Strategy for the Atlantic Ocean Area' [3], and the Galway Statement on Atlantic Ocean Cooperation. Contribute to the implementation...”*

Targeted Countries/Regions: Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Blue Growth: Unlocking the potential of Seas and Oceans

Call Identifier: H2020-BG-2015-2

Topic Identifier: BG-01-2015

Topic Title: Improving the preservation and sustainable exploitation of Atlantic marine ecosystems

Deadline: 24.02.2015

Stage 2: 11.06.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2466-bg-01-2015.html>

Specific Challenges: *“... stakeholder communities. In line with the objectives of the EU strategy for international cooperation in research and innovation (COM(2012) 497), proposals should contribute to implementing the Transatlantic Research Alliance, launched by the Galway Statement [1] on Atlantic Ocean Cooperation in May 2013, and should benefit from the inclusion of partners from the United States of America and Canada...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar:	Societal Challenges
Programme:	Food security, sustainable agriculture and forestry, marine and maritime and inland water research
Activity/Topic:	Blue Growth: Unlocking the potential of Seas and Oceans
Call Identifier:	H2020-BG-2015-2
Topic Identifier:	BG-07-2015
Topic Title:	Response capacities to oil spills and marine pollutions
Deadline:	24.02.2015
Stage 2:	11.06.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2468-bg-07-2015.html>

Specific Challenges: *“... with the objectives of the EU strategy for international cooperation in research and innovation (COM (2012) 497), proposals should benefit from the inclusion of partners established in third countries, in particular the US and Canada [1], given the high potential for knowledge sharing in this field[2]. The Commission considers that proposals requesting a contribution from the EU in the range of EUR...”*

“... within the marine industrial sector Type of action: Research and innovation actions [1] This is without prejudice to the general rules on the funding of legal entities from third-countries, as set in part A of the annex to the work programme. [2] See Galway Statement on Atlantic Ocean Cooperation Launching a Canada-European Union- United States of America Research Alliance (Galway, 24th of May...”

Targeted Countries/Regions: Canada, Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Sustainable Food Security

Call Identifier: H2020-SFS-2015-2

Topic Identifier: SFS-10b-2015

Topic Title: Scientific basis and tools for preventing and mitigating farmed mollusc diseases

Deadline: 24.02.2015

Stage 2: 11.06.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2340-sfs-10b-2015.html>

Specific Challenges: *“... or absence of disease outbreaks in relevant parts of the world. In line with the objectives of the EU strategy for international cooperation in research and innovation and in particular with the implementation of the International KBBE Forum priorities, should aim at developing an international network on oyster diseases and mortalities, between Australia, New Zealand, Canada, USA, Japan, S. Korea and...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar: Societal Challenges

Programme: Food security, sustainable agriculture and forestry, marine and maritime and inland water research

Activity/Topic: Sustainable Food Security

Call Identifier: H2020-SFS-2015-2

Topic Identifier: SFS-16-2015

Topic Title: Tackling malnutrition in the elderly

Deadline: 24.02.2015

Stage 2: 11.06.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2343-sfs-16-2015.html>

Specific Challenges: *“... research and innovation and in particular with the implementation of the International KBBE Forum priorities, proposals are encouraged to include third country participants, especially those established in Australia, Canada, Japan, New Zealand and/or the United States[1]. Relevant stakeholders, including industry and SMEs, should be involved. The Commission considers that proposals requesting a contribution...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar: Societal Challenges

Programme: Health, demographic change and wellbeing

Activity/Topic: Health Co-ordination activities

Call Identifier: H2020-HCO-2014

Topic Identifier: HCO-05-2014

Topic Title: Global Alliance for Chronic Diseases: prevention and treatment of type 2 diabetes

Deadline: 15.04.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2212-hco-05-2014.html>

Specific Challenges: *“... with a focus on implementation and intervention research in low- and middle-income countries and in vulnerable populations in high income countries. Scope: Proposals must focus on type 2 diabetes. Proposals should generate new knowledge on interventions and their implementation for the prevention and treatment of type 2 diabetes in low and middle income countries, and in vulnerable populations in high...”*

Targeted Countries/Regions: High-Income Countries

Horizon 2020 Pillar: Societal Challenges
Programme: Health, demographic change and wellbeing
Activity/Topic: Health Co-ordination Activities
Call Identifier: H2020-HCO-2015
Topic Identifier: HCO-12-2015
Topic Title: ERA NET: Antimicrobial resistance
Deadline: 21.04.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2207-hco-12-2015.html>

Specific Challenges: *“... poses to public health. Proposal should implement other joint activities including collaborative actions with the World Health Organisation or the pharmaceutical industry (among others) as well as additional joint international calls without EU co-funding (e.g. with Canada). The Commission considers that proposals requesting a contribution from the EU of a minimum of EUR 5 million would allow...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar: Societal Challenges

Programme: Health, demographic change and wellbeing

Activity/Topic: Personalising health and care

Call Identifier: H2020-PHC-2014-single-stage

Topic Identifier: PHC-08-2014

Topic Title: Vaccine development for poverty-related and neglected infectious diseases: tuberculosis

Deadline: 15.04.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2251-phc-08-2014.html>

Specific Challenges: *“... In line with the Union’s strategy on international cooperation [1] in research and innovation, international cooperation is encouraged. The proposals should also address the barriers and possible facilitators regarding the uptake and implementation of a new vaccine in low, middle and high income countries in different regions of the world. The Commission considers that proposals requesting a contribution...”*

Targeted Countries/Regions: High-Income Countries

Horizon 2020 Pillar:	Societal Challenges
Programme:	Health, demographic change and wellbeing
Activity/Topic:	Personalising health and care
Call Identifier:	H2020-PHC-2015-single-stage
Topic Identifier:	PHC-09-2015
Topic Title:	PHC 9 – 2015: Vaccine development for poverty-related and neglected infectious diseases: HIV/AIDS
Deadline:	21.04.2015
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2266-phc-09-2015.html
Specific Challenges:	<i>“... proposal. In line with the Union’s strategy on international cooperation[1] in research and innovation, international cooperation is encouraged. The proposals should also address the barriers and possible facilitators regarding the uptake and implementation of a new vaccine in low, middle and high income countries in different regions of the world. The Commission considers that proposals requesting...”</i>
Targeted Countries/Regions:	High-Income Countries

Horizon 2020 Pillar:	Societal Challenges
Programme:	Secure societies - Protecting freedom and security of Europe and its citizens
Activity/Topic:	Border Security and External Security
Call Identifier:	H2020-BES-2014
Topic Identifier:	BES-01-2014
Topic Title:	Maritime Border Security topic 1: radar systems for the surveillance of coastal and pre-frontier areas and in support of search and rescue operations
Deadline:	28.08.2014
Participant Portal Weblink:	http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/1091-bes-01-2014.html
Specific Challenges:	<i>“... particularly concerning the detection and tracking of small unseaworthy vessels. Impact will be benchmarked against improved capabilities to meet surveillance requirements in conditions ranging from those of the Southern Atlantic to the Greek archipelago. The dimension of the challenge is shown in the discrepancy which may occur between the attributed areas where maritime surveillance and rescue operations...”</i>
Targeted Countries/Regions:	Atlantic

Horizon 2020 Pillar: Societal Challenges

Programme: Secure, clean and efficient energy

Activity/Topic: Competitive Low-Carbon Energy

Call Identifier: H2020-LCE-2014-1

Topic Identifier: LCE-15-2014

Topic Title: Enabling decarbonisation of the fossil fuel-based power sector and energy intensive industry through CCS

Deadline: 01.04.2014

Stage 2: 23.09.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/1125-lce-15-2014.html>

Specific Challenges: *“... engagement of the local community is essential. In line with the Union’s strategy for international cooperation in research and innovation[1] international cooperation is encouraged, in particular collaboration activities between EU project(s) under this topic and non-EU projects (e.g. from Australia and/or North-America). For industrial applications, proposals should aim at integrating CCS technology...”*

Targeted Countries/Regions: North America

Horizon 2020 Pillar: Societal Challenges

Programme: Secure, clean and efficient energy

Activity/Topic: Competitive Low-Carbon Energy

Call Identifier: H2020-LCE-2015-1

Topic Identifier: LCE-15-2015

Topic Title: Enabling decarbonisation of the fossil fuel-based power sector and energy intensive industry through CCS

Deadline: 03.09.2014

Stage 2: 03.03.2015

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/1140-lce-15-2015.html>

Specific Challenges: *“... engagement of the local community is essential. In line with the Union’s strategy for international cooperation in research and innovation[1] international cooperation is encouraged, in particular collaboration activities between EU project(s) under this topic and non-EU projects (e.g. from Australia and/or North-America). For industrial applications, proposals should aim at integrating CCS technology...”*

Targeted Countries/Regions: North America

Horizon 2020 Pillar: Societal Challenges

Programme: Smart, green and integrated transport

Activity/Topic: Mobility for Growth

Call Identifier: H2020-MG-2014_SingleStage_A

Topic Identifier: MG-1.4-2014

Topic Title: Coordinated research and innovation actions targeting the highest levels of safety for European aviation

Deadline: 27.03.2014

Participant Portal Weblink:

<http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/2609-mg-1.4-2014.html>

Specific Challenges: *“... of the proposed actions. The overall management of the initiative could be designed for a longer term than the duration of the project with a potential to be extended to other activities after a first review of the concept. Where relevant, actions could include networking with projects from leading entities from third countries, to leverage resources and global impact (e.g. with US and Canada). Proposals...”*

Targeted Countries/Regions: Canada

Horizon 2020 Pillar: Societal Challenges
Programme: Smart, green and integrated transport
Activity/Topic: Mobility for Growth
Call Identifier: H2020-MG-2014_SingleStage_A
Topic Identifier: MG-1.8-2014
Topic Title: International cooperation in aeronautics
Deadline: 27.03.2014

Participant Portal Weblink:
